### THE STATE OF NEW HAMPSHIRE

(L. S.)

To the Inhabitants of the Town of Hampton Falls in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at The Town Hall in said Hampton Falls on Tuesday, the Eighth day of March, next, at Ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the town will vote to allow a discount on taxes paid before a certain date.
4. To see if the town will vote to authorize the selectmen to borrow money in anticipation of taxes.
5. To see what action the town will take in regard to real estate taken over by the town for non-payment of taxes.
6. To see if the town will vote to raise and appropriate the sum of one hundred dollars (\$100.) for the celebration of the anniversary of the ratification of the federal constitution by the state, June 21, 1938. Said sum to be expended under the direction of the selectmen.
7. To see if the town will vote to buy a road machine and raise and appropriate money for same.

8. To see if the town will vote to accept State Aid on Class V Road and raise\* and appropriate the sum of \$185.88, the State to give \$743.54 or State Aid construction on Cock Hill Road and raise and appropriate money for same.

9. To see what action the town will take in regard to selling the South school house.

10. To see if the town will vote to give non-resident tax payers clam permits.

11. To see what action the town will take in regard to the three hundredth (300) anniversary of the town of Hampton.

12. To see if the town will vote to pay fifty cents (50c) per hour for town labor. Trucks and teams to be paid in the same proportion.

13. To see what action the Town will take in regard to the report of the committees appointed to investigate the possibility of enlarging the present dining room and also a water system in the Town Hall.

14. To raise and appropriate for the issuance and distribution of printed matter publicizing the resources and natural advantages of the town, in cooperation with other towns in the Seacoast Regional Development Association, the sum of \$64.00.

15. To see if the Town will vote to give Selectmen power to repair the bridge on Curtis road, bridge on Mill Lane road, and to construct railing at Dodge's Mill. The cost to be taken from the surplus.

16. To see what the Voters of the Town will take on the following resolution:

Resolved that it being deemed for the best interest of the property owners of the town of Hampton Falls, we do hereby prohibit the use of any building, vacant or otherwise,\* any lot of land, occupied or otherwise, any fields or

land frontage whatsoever along the highways of the town of Hampton Falls, for the purpose of automobile storage lots, junk yards or any other similar storage use.

It being provided however, that such use may be made of land and buildings situated a distance of fifteen hundred (1500') feet or more from any public highway within the limits of the town of Hampton Falls.

It is further resolved that a permit shall be obtained from the Hampton Falls selectmen, signed by a majority of its members before establishing a business of any kind or erecting a building for the establishing of a business of any kind within the limits of the town.

17. To see if the Town will vote to raise and appropriate the sum of one hundred (\$100) dollars for resurfacing the sidewalk on Lafayette road. The one beginning at Akerman's Corner going North toward Hampton.

18. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 19th day of February, in the year of our Lord nineteen hundred and thirty-eight

## REPORT OF SCHOOL NURSE

Weekly visits are made to Hampton Falls School.

School children are given a physical examination by nurse each month. This examination consists of weighing and general check up on throat, skin, teeth and hair.

Eyes and ears are examined at the beginning of the school year. If a child has defective vision this condition is reported to parents by nurse upon a home visit, thus enabling the parent to have the child examined by an oculist.

Poor vision greatly handicaps a child in his school work.

Diseased Tonsils will cause an underweight condition and general listlessness on the part of the child in his general health.

Number of communicable diseases.

Whooping cough .....	8
Defective vision among school children .....	9
Some dental work is needed.	
Number of visits to school .....	18
Special visits .....	2
Number home visits .....	34

Took one child to Newburyport for examination of eyes.

First Aid supplies placed in school

I wish at this time to thank Mr. Gillmore, School Board, Teachers and Parents for their splendid cooperation in my school work.

THE REPORT OF THE SUPERINTENDENT

---

To the School Board of Hampton Falls:

I herewith submit to you my eighth report as superintendent of your schools.

It is a pleasure to report to you that the children of Hampton Falls are making better use of the school opportunity offered them by the citizens of the town. The percentage of attendance is nearly two points higher than that of last year and is as high as any record of recent years. The number of tardinesses is thirty-three, an unusually low figure. Better transportation facilities are in part responsible, but the active interest of the pupils and the support of the parents has much to do with these results.

Your schools are being held to the same national standards as in former years. This high standard is in part responsible for the successful accomplishments of our graduates in the advanced grades. The results of these national tests are available to any parent who cares to see them.

A good school can never remain static. It must either advance or retard. Your schools have taken two definite and important steps in advance during the past two years. The employment of a music supervisor is now established procedure and has proven its value. The public entertainments given by the children are simply an illustration of the type of work which is daily activity in the regular school program. Another test of the work is the amount of singing the children do outside of school. Do they sing voluntarily? Do they sing when going to and from school? Do they sing at home? I am sure the answer of the parents will be a decided, yes.

The second step is the employing of an Art teacher. As the hours of labor shorten it will become more necessary that our people broaden their interests to include more than their actual vocation. Increased leisure must mean increased richness of life. Otherwise, increased leisure will be harmful rather than beneficial. The teaching of art in the schools is one means of opening a child's mind to a new field of interest. When employed in conjunction with four towns the cost is low compared with results obtained. I believe a good beginning has been made and that progress will be rapid from now on.

The report of your school nurse is printed herein. It gives a record in figures, of her work. It cannot, however, show the hours of time and the services she has actually rendered to the children.

Hampton Falls Schools are good schools. Your teachers are drilling the pupils in the "three R's" to a successful degree. They are receiving the cooperation of the children in their endeavors and for this reason are securing results which compare favorably with the good work of former years.

An efficient school board and a fine group of teachers always voice for a successful school.

May I again express my appreciation to you, as a board, for valuable suggestions and real help in the duties of my office.

Respectfully submitted,

ROY W. GILLMORE,  
Superintendent of Schools
